Sir,

REVENUE SECTT
1947

Subject - Providing apron and revetment for the protection of the Ovoid sewer at the crossing of Storm Water drain between Manhole No 76 to 77 near Hosur Bridge

I have the honour to state that the Engineer Officer attached to the Board submitted an estimate for Rs 850/-for the above work with a view to protect the foundation of the Ovoid Sewer from scouring and consequent weakening of the foundation The Engineer Officer's report accompanying the Estimate explains in detail the necessity for the work.

This was placed before the Board at its Meeting held on 24-6-1948 After examining the question in detail and considering the need for the work the Board passed the following resolution

"RESOLVED that the estimate for Rs 850/- be approved and necessary further action taken."

I accordingly request that sanction of Government may kindly be obtained to the estimate for Rs 850/- submitted herewith The cost on this account is proposed to be met out of the lumpsum provision of Rs 5,384/- made for unforeseen charges provided in the estimate for Rs 3,60,000/- sanctioned in G O No L.362-64/M1 32-40-169 dated 18-7-1941 for the construction of Ovoid Sewer from its present terminal to the dis-
